Dear Dr. Bambang Krismono,

After careful review, we decide that the paper "The Classification of Hypertensive Retinopathy using Convolutional Neural Network" has fulfilled the requirement of revision and can be accepted for presentation.

Regards,
ICCSCI2017 Committee

Dear ICCSCI2017 Committee,

I hereby attach a soft copy of Final manuscript paper ID 138, entitled "The Classification of Hypertensive Retinopathy using Convolutional Neural Network", along with a list of revision paper, registration form and proof of payment. Please confirm if it has been well received. thanks.

Best regards,
Bambang Krismono Triwijoyo
