Note	From
Dear Author Syahroni: Your article ID # 1760, titled "WAVELET DETAIL COEFFICIENT AS A NOVEL WAVELET-MFCC FEATURES IN TEXT-DEPENDENT SPEAKER RECOGNITION SYSTEM" to IIUM Engineering Journal has gone through language editor and copyeditor. This is the last stage before the production. It is also noted that the journal database follows certain rules for the author's name, the first letter must be CAPITAL of the word (Title case) and contributor authors must be matching with the final camera-ready documents (<i>if authors are not matching editor has right to remove author(s) from the camera-ready document</i>). Update all contributor authors name and affiliation in the Publication menu (<i>if missing</i>). Follow the guidelines to update the authors' name at https://journals.iium.edu.my/ejournal/index.php/iiumej/libraryFiles/downloadPublic/57 Copyeditor has identified the followings and needs to address those in order to send to the production stage.	zahirul 2021-11-09 10:50 AM

Dear Editor,

We have ensured the correctness of the names and affiliations of all contributing authors and corrected the article according to suggestions for improvement from the editor both in the paper and in the system. Regarding changes by editors (green text), we also accept amendments made by editors. Lastly, we've also modified the reference section by converting it to justify format.

Thank you.

Dear Syahrini, Your submission "WAVELET DETAIL COEFFICIENT AS A NOVEL WAVELET-MFCC FEATURES IN TEXT-DEPENDENT SPEAKER RECOGNITION SYSTEM" to IUM Engineering Journal now needs to be proofread by following these steps.	zahirul 2021-11-15 09:12 AM

Log Into the Journal.

1. Click on **Publication** next to **Workflow** of the article, and select **Galleys**.
2. **Ensure** that contributing authors matching the manuscript and authors names are Title Case (First word Capital). (Click on **Publication** and select **Contributors - update accordingly and order it too**)
3. **Update all contributing authors' affiliations if missing** (check the contributor author list in the **Publication** menu, use affiliation search) in the metadata.
4. Download the **PDF galley** and proof the galley.
5. Check the header DOI <https://doi.org/10.31436/iiumej.vVolumeNOIPaperNo.xxxx>, whether "xxxx" is matching with your paper **ID**. **Do not try** to check **DOI** with the **DOI site unless the paper is published**. Visibility of DOI appears after a few days of the issue publication.
6. If there is any correction, then download copyedited **WORD** file from the **Copyediting stage** of the article and do necessary corrections (typographical and format) and upload **WORD** and **PDF** files at the **Production** stage by clicking to this configuration by
