SELAYANG PANDANG

Ode to My Family adalah lagu cinta untuk keluarga, kehangatan cinta, canda tawa dan kerinduan diramu menjadi satu dalam sebuah kenangan di tengah kehidupan, nyata makna keluarga bukan hanya sekedar ikatan darah melainkan tempat berkembang menjadi manusia seutuhnya. Keluarga bukan hanya diri sendiri, orang tua, kakak atau adik, tapi semua yang melebur di dalamnya. Itulah yang tercermin dalam kumpulan antologi puisi karya mahasiswa sastra Inggris Universitas Bumigora. Puisi-puisi mereka didedikasikan untuk keluarga tercinta.

A Beautiful Glimmer Light

By Muhammad Romzi

My spirit comes from their smile
Simple happiness is always there at all times
The spinning wheel like our life
Sometimes there is joy and sorrow that we feel
 Sincere support from them is always an encouragement
 Give strength to face life's problems
 A small family that is always grateful to God
 Warm smiles seen every day from them

Mother

My place to talk
Who take care of me?
Take care of me wholeheartedly
My heaven under your feet
 Father
 My hero
 The iron wire muscle
 Work hard non-stop
 I will always remember you give to me

Sister

True friend
A place to share stories
Always give support
Best sister of the best
Your love can't be paid with money
Always support me
My encouragement when I'm in a slump
You are the diamond that I have to protect

Broken Ring

by Nyoman Mega Prema Laksmi

In the night cold and the storm hits the leaves
A pair of pigeons is reluctant to fly together
Shouts, screams, like a stretch of waves
Like strong corals need a breaker

A million dream every another years
But a coin always has two sides
Like looking in a mirror with a smile behind the tears.
A solid cage shattered into pieces.

Tic tock tic tock
The clock is ringing
Tic tock tic tock
A pigeon count his crying

The darkness end
No one's hand to lend

Gloomy Day

by Zainal Abidin

Leave and never be back
That is a reality
The sadness that never ends
That is a feeling

It's hard to make a word saying
Tears of sadness are explaining
I am sad with your leaving
Because you are my everything

Goodbye, my dear father
Let me be your mirror
I will draw your life in my life
Because you are the best person that ever I had

O my Lord with all your goodness
Let me mourn my sadness
Sitting prostrate asking for your kindness
Accept him with all your happiness

Leave and never be back
That is a reality
The sadness that never ends
That is a feeling

It's hard to make a word saying
Tears of sadness are explaining
I am sad with your leaving
Because you are my everything

Goodbye, my dear father
Let me be your mirror
I will draw your life in my life
Because you are the best person that ever i had

O my Lord with all your goodness
Let me mourn my sadness
Sitting prostrate asking for your kindness
Accept him with all your happiness

Infinity Love

by Giana Tiffany Said

I felt hard to face the reality
You are getting old
Feel so close
Fall into the dark cloud and lost

Sadness occur when I saw line drawn on her face
So hard to cover sadness when i saw her tired face
Confuse word like live on my brain
Bad always drawn

So many things happened
At the same time, so many things that not really important
I wish I could change the problem
Then I will cover and take your problem to lighten

How heavy to be a good and be a nice legacy
How can I cover this little brittle hand and my tiny finger without your lovely
So much love that you give is like the salt in the vast sea
Event can't calculate in the fantasy

When the moment is appearance
Something would be nice
Just wait and see
This seeds will grow to blossom daisy

Light of My Life by Ulfatunisa'

When I see the moon's shining
A symphony playing
Loving you give me strength
An endless dead end showing the length

Your love brings me home
Enfolds me and warm me
Thank you for giving me some
Of such a wonderful life in me

Butterflies can't show its wings
As my thoughts flow on paper
One thing should be back like what I'm doing
Is love I'll remember forever

Your love in this world is rare
No one will replace your place
My love for you won't change forever
As my love for you is a beautiful grace

My Broken Life

by Tina Apriatul Aeni

broken home
There are endless conflict and endless wars
Father and mother hurts me
Abandoned and ignored
By those who should taught me the meaning of love
A father ruined my childhood and mother ruined my dreams

I fell and cried
life was hard for me
I'm so tired, weak, and dying by a broken heart
My parents are supposed to embrace me
Is the one who knocked me down

Why I was born
Be a good fake
For everyone to see
That I grew up very well
Love and affection I've ever witnessed
Is hate an abomination

My Father Is My Hero

by Haliza Hakim

You have said a thousand words.
You have given thousands of love.
You have poured a thousand love.
Only for your daughter.
Every drop of your sweat
In the patter of your tired breath

The one full of extraordinary love
For me you are willing to be stung by the sun
You work hard for a penny
Every day you work hard without getting tired.

Your presence is like a light
Even the earth has fallen

The Faithful Dock

by Meka Saraswati

I'm waiting for the sunrise
I enjoy the twilight
With the sound of the waves
Water drops met the face
Faint rays began to highlight
Collapsed alone left my hopes
Maybe you come back again?

I'm looking for a starting point
Where I can pour everything
A place that always faithfully awaits
Come back, bring pain and disappointment
A dock that is ready to accept anything
Willing to leave for no reasons
The faithful dock is my family.

The Lost Tone

by Andra Putra Malik

The laughter you gave me.
Laughter like my father gave me.
Like melodious tones to be heard
Melodious rhythm enters the heart

We don't live together, we don't sleep together.
But we can eat together, without ever having anger.
Although not all day,
Let the boundary wall witness our proximity.

Spare time that you give me, day by day.
it means so much to tell us some day.
Hope a cheerful story brings a smile to appears
Through sorrow and tears.

Millions people send you to the rest.
Prayer as helper,
until you forgot to open your eyes.

The Moon Light

by Sulpiani Dewi

Sunny day has passed to dark
The moon looks shy to show its light
What is up with tonight?
The stars also seen reluctant to blink

Covered by the silence of the night
Something in the eyelid struggles to rush out
What is up with tonight?
Restless, upset as if settled in the heart

No one expected a ray of light to come
Illuminate the moon that hasn't been seen for a long time
Thank you for the blessings
We will protect with all of our souls

The Wagging Happiness

by Gde Wetan Pragena Anggara

One two one two
Excitement raising and furs are dancing
One two one two
Kicking, jumping, and symphony making

Three four five six
Worry not free your mind
Three four five six
Sweet sour all be mine

One two one two
I am very happy and the reason is you
One two one two
Wagging here and be with you

Every second every season
Always together and bond deepen

Warmness on the Heart

by Alan Cahya Saputra

Precious as gold
That could bring changes
Shiny as a diamond
That could make your way shines

Sharp as a blade
Stabbing right of your heart's
But, tender as cottoned
Protecting your souls

Tell me everyone
Why are they so fair?
When I lay my life upon my own
They will lay their hand to aid this weak bear

Wish that I could feel the sense of loves
What I am dreaming of families
