Dear
Dr. Akhter Alam

Good morning. We have re-reviewed our paper. We found that parts of the sentence still need to be moved to a new paragraph. We've marked the sentences with yellow highlight color and comments (See file attachment with filename "Need to be Revised_R....").
We have also revised the sentences that need to be moved to a new paragraph which we saved with the file name "Has been Revised_R...." (Please see the attached file).
This is our correction.
If you have received this email, please inform us.
Thank you very much for your attention and kindness.
God bless you and the Turkish Journal of Computer and Mathematical Education.

Sincerely yours
Bambang Krismono and Anthony Anggrawan
